

# Manhattan

Sara Bareilles

You can have Manhattan  
I know it's for the best  
I'll gather up the avenues  
And leave them on your doorstep  
And I'll tip toe away  
So you won't have to say  
You heard me leave

You can have Manhattan  
I know it's what you want  
The bustle and the buildings  
The weather in the fall  
And I'll bow out of place  
To save you some space  
For somebody new

You can have Manhattan  
Cause I can't have you

Ahhhhh

You can have Manhattan  
The one we used to share  
The one where we were laughing  
And drunk on just being there  
Hang on to the reverie  
Could you do that for me?  
Cause I'm just too sad to

You can have Manhattan  
Cause I can't have you

And so it goes  
One foot after the other  
Til black and white begin to color in  
And I know  
That holding us in place  
Is simply fear of what's already changed

Ahhhhh

You can have Manhattan  
I'll settle for the beach  
And sunsets facing westward  
With sand beneath my feet  
I'll wish this away  
Just missing the days  
When I was one half of two  
You can have Manhattan  
Cause I can't have you
