

Anywhere

Sara Evans

Hey, you and me baby
We're flying on a wing and a prayer
Can't tell you where we're going
I just know that we're gonna get there
Got all that we need in a cart in a checkout line
Hey, I'll bag while you scan
I bet we beat the traffic in time

Top down, now you're singin'
It's such a beautiful day
I don't care what you're thinking
Baby, put your map away

'Cause we can go
Anywhere
Yeah we can go
Anywhere, I don't care
California, Mississippi, all the way to New York City
As long as you're riding shotgun with me
Anywhere
Love will get us there

Tell your boss maybe you'll come back and maybe you won't
Well in life sometimes people take chances
Most times they don't
Don't wanna sit on the side of the road
While our dreams pass me by
I'm sick of livin' my life in park
I wanna live it in drive

'Cause we can go
Anywhere
Yeah we can go
Anywhere, I don't care
California, Mississippi, all the way to New York City
As long as you're riding shotgun with me
Anywhere
Love will get us there

Anywhere
Yeah we can go
Anywhere, I don't care
California, Mississippi, all the way to New York City
As long as you're riding shotgun with me
Anywhere
Yeah we can go
Anywhere
Oh we can go
Anywhere
Love will get us there
