

I Can Do Better Than You

Sarah Bettens

Everyone I know in town
Tells me you've been sleeping around
Looks like I'm being unused
Am I not quite enough for you

Now I don't mean to be cruel
But I can do better than you
I can do better than you

I took your car and pack my bag
Don't you beg me to come back
I don't know what I'm looking for
But I don't need your love ain't no more

Now I don't mean to be cruel
But I can do better than you
I can do better than you

How could I've been such a fool
Giving you my love
I forget the basic rule
Never get in love

Looks like I am being unused
Am I not quite enough for you

Now I don't mean to be cruel
But I can do better than you
I can do better than you
I can do better than you
I can do better than you
