

Win Me Over

Sarah Bettens

I locked that door so many times
I don't know how
you navigated through this labyrinth somehow
So tell me everything you know about my heart
Don't leave out anything I've nowhere else to start

Oh, you win me over, oh
Time and time again
Oh, I'm falling over
For every breathe I wasted
I'm coming home to taste it in you

Say the world to sound like music to my ears
I love you love you it's so wonderful to hear
And I'll settle slow in your warm and giving eyes
Don't wake me up for anything
Don't wanna say goodbye

Oh, you win me over, oh
Time and time again
Oh, I'm falling over
For every breathe I wasted
I'm coming home, I'm coming home to taste it in you, oh

I never knew that there'd be someone, someone who could make me
sing like you
Oh, you saved me, from never knowing where love could take me

Oh, you win me over, oh
Time and time again
Oh, I'm falling over
For every breathe I wasted
I'm coming home, I'm coming home, I'm coming home to taste it i
n you
