I lost my heart to a starship trooper
Oh...

Hey, Captain Strange, won't you be my lover?
You're the best thing that I've ever discovered
Flash Gordon's left me, he's gone to the stars
An evil Darth Vader has me banished to Mars

Tell me, Captain Strange, do you feel my devotion
Or are you like a droid, devoid of emotion?
Encounters one and two are not enough for me
What my body needs is close encounter three

I lost my heart to a starship trooper
Flashing lights in hyper space
Fighting for the Federation
Hand in hand we'll conquer space

Listen, Captain Strange, what's our destination
The scanners seem to indicate a small deviation
Static on the comm - it's Starfleet Command
Requesting your position, it's their final demand

You're intentions are known, they've found out at last
So if you're gonna take me, please make it fast
Touch me, feel me, do what you will
I want to feel that galactic thrill

I lost my heart to a starship trooper
Flashing lights in hyper space
Fighting for the Federation
Hand in hand we'll conquer space
