## **Johnny Wanna Live**

## Sarah Brightman

I got something on my mind Makes me sad and makes me cry - oh no Johnny wanna live

Just an ordinary day An animal will pass away - oh no Johnny wanna live

Who's to say he got no rights Even not a right to life Don't know why it leaves you cold Don't know how to make it show - oh no Johnny wanna live Johnny wanna live

Got to give his skin away For coats the wear on summer days - oh no Johnny wanna live

Beauty aid and all the rest Come directly from a test - oh no Johnny wanna live

Through his eyes I look inside his heart He can feel like me and you Can't defend himself cause he can't talk

And this is why I talk to you

Johnny isn't just a name He stands for every creature's pain - on no Johnny wanna live Johnny wanna live

Go an try to look inside his heart You can find your own mistakes Try to hide them thinking he can't talk But he can read them on your face

Tell me why it leaves you cold I swear I'm gonna to make it show - oh no Johnny wanna live Johnny wanna live...
