

Winter Light

Sarah Brightman

Hearts call
Hearts fall
Swallowed in the rain

Who knows
Life grows
Hollow and so vain

Wandering in the winter light
The wicked and the sane
Bear witness to salvation
And life starts over again

Now the clear sky is all around you
Aah aah
Love's shadow will surround you
All through the night

Star glowing in the twilight
Tell me true
Hope whispers and I will follow
'Till you love me too

Ah ah ah

Now the clear sky is all around you
Aah aah
Love's shadow will surround you
All through the night

Star glowing in the twilight
Tell me true
Hope whispers and I will follow
'Till you love me too
