## One Day I'll Fly Away

**Sarah Connor** 

I make it alone When love is gone Still you made your mark Here in my heart

One day I'll fly away
Leave your love to yesterday
What more can your love do for me
When will love be through with me

I follow the night Can't stand the light When will I begin My life again

One day I'll fly away
Leave your love to yesterday
What more can your love do for me
When will love be through with me
Why live life from dream to dream
And dread the day
When dreaming ends

One day I'll fly away
Leave your love to yesterday
What more can your love do for me
When will love be through with me
Why live life from dream to dream
And dread the day
When dreaming ends
