

# Undressed

Sarah Connor

Each and every day  
Each and every single day  
People wanna tell me what to do  
But I don't really care  
I do never really care  
'Cause I'm looking out for something new

Bridge:  
And I know you know  
All we're gonna do  
Is we're making our dream come true  
And I know you know  
All we're gonna do  
Is we're living our lives the way we want to

When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right to do it  
When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right let's do it

Pretty-like-a-pearl  
Do you wanna see my world?  
I do everything I wanna do  
And when you're going there  
Then you better be aware  
I know I'm looking like your dream come true

And I know you know  
All we're gonna do  
Is keep on bouncing around forever  
And I know you know  
All we're gonna do  
Is not wasting our time it's now or never

When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right to do it  
When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right let's do it

Do it to me, give it to me

When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right to do it  
When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right let's do it

When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right to do it  
When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right let's do it

When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right to do it  
When do we get undressed  
I don't wanna wait, baby, let's get started  
When do we get undressed  
Boy, I wanna know when the time is right let's do it
