

What Have You Done To My Heart

Sarah Geronimo

I never dreamed there'd be
Someone so much like me
Nobody knows me like you do
Here I was all alone
Likin' it on my own
You're what it's all been leading to

Now I know what I was born to feel
This time it's right for me
This is what it's like to be in love

Caught up in all the emotion
Living and breathing the passion
What have you done to my heart

It's crazy falling in love was so easy
Loving so much I go dizzy
What have you done to my heart

Takin' it day by day
Learning along the way
How to be everything to you
And you're so good for me
Cause in your eyes I see
So much of me I never knew

Now I know what I was born to feel
This time it's right for me
This is what it's like to be in love

Caught up in all the emotion
Living and breathing the passion
What have you done to my heart

It's crazy falling in love was so easy
Loving so much I go dizzy
What have you done to my heart

Where you go I'll go, baby
I'm so in love

Yes it's crazy falling in love was so easy
Loving so much I go dizzy
What have you done to my heart

It's crazy falling in love was so easy
Loving so much I go dizzy
What have you done to my heart
