

Into the Fire

Sarah McLachlan

Mother teach me to walk again
Milk and honey so intoxicating

And into the fire
I'm reunited
Into the fire
I am the spark
Into the fire
I yearn for comfort

Open the doors that lead on in to Eden
Don't want no cheap disguise
I follow the signs marked back to the beginning
No more compromise

And into the fire
I'm reunited
Into the fire
I am the spark
Into the fire
I yearn for comfort

Free the water that carries me to the sea
You I see as my security

And into the fire
I'm reunited
Into the fire
I am the spark
Into the fire
I yearn for comfort

I will stare into the sun until its light doesn't blind me
I will walk into the fire until its heat doesn't burn me
And I will feed the fire

And into the fire
I'm reunited
Into the fire
I am the spark
Into the fire
I yearn for comfort
