

# Hey There

Sarah Vaughan

Hey there  
You with the stars in your eyes  
Love's never made a fool of you  
You used to be too wise.

Hey there  
You on that high-flying cloud  
Though she won't throw a crumb to you  
You think someday she'll come to you.

Better forget her  
Her with her nose in the air  
She's got you dancing on a string  
Break it and she won't care

Won't you take this advice  
I hand you like a brother  
Or are you not seeing things too clear?  
Are you too much in love to hear?  
Is it all going in one ear  
And out the other?

(repeat last verse)

Hey There! Hey There!  
Hey There!.....
