

How Soon

Sarah Vaughan

How soon the flame of love can die,
How soon "Goodnight!" becomes "Goodbye!".
You're gone now,
And life goes on now,
And everything seems out of tune!

But time can bring a change of heart,
And love can make another start.
Some day you may
Come back to me to stay,
But who can say how soon?

Some day you may
Come back to me to stay,
But who can say how soon?
