I'll Never Smile Again

Sarah Vaughan

I'll never smile again Until I smile at you I'll never laugh again What good would it do?

For tears would fill my eyes My heart would realize That our romance is true

I'll never love again
I'm so in love with you
I'll never thrill again
To somebody new

Within my heart
I know I will never start
To smile again
Until I smile at you

Within my heart
I know I will never start
To smile again
Until I smile at you
