Every night your line is busy
All that buzzin' makes me dizzy
Couldn't count on all my fingers
All the dates you had with swingers

Bye bye
Bye, baby
I'm gonna kiss you goodbye
And walk right through that doorway

So long
I'm leaving
This is the last time we'll meet
On the street going your way

Don't look surprised You know you've buttered your bread Now it's fair you should stare At the back of my head

If you write a letter to me My former friend Don't you end With an R.S.V.P.
