

# The Only

Sasha Sloan

I can't be the only one  
Who's lonely tonight  
I can't be the only one

Who's drinking by myself  
Wishing that I was somewhere else  
Talking to the voices in my head  
Because at least they're listening  
Right here's an easy place to hide  
I stay in bed and shut the blinds  
Don't even know where I would go

But I know that there's gotta be somebody out there  
There's gotta be somebody somewhere  
Who needs company  
And it's comforting to know  
I can't be the only one  
Who's lonely tonight  
No, I can't be the only

One with nobody to call  
This city makes me feel so small  
A million people in this town  
But I could scream without a sound  
So I get high to pass the time  
Talk to someone I met online  
To make myself feel less alone

'Cause I know that there's gotta be somebody out there  
There's gotta be somebody somewhere  
Who needs company  
And it's comforting to know  
I can't be the only one  
Who's lonely tonight  
No, I can't be the only

No, I can't be the only one  
Who's lonely tonight  
No, I can't be the only one  
Who's lonely  
No, I can't be the only

No, I can't be the only one  
Who's lonely tonight  
No, I can't be the only one  
Who's lonely  
No, I can't be the only
