

# Somewhere in Time

Savatage

So what can I tell you  
If life's the length of this play  
Perhaps God gave the answers  
To those with nothing to say

But then the years are forgiving  
If God's forgiving in kind  
Perhaps we'll all find our answers somewhere in time

I've been changing  
Redefining  
All the things I thought I knew  
So long ago  
When I was flying  
Through those years that seem so far away

In the back of a reason  
In the back of my mind  
Where I've piled up the seasons  
That I've traded for times

I've been grasping at rainbows  
Hanging on till the end  
But the rain is so real lord  
And the rainbows pretend  
And the rainbows pretend

I've been changing  
Redefining  
All the things I thought I knew  
So long ago  
When I was flying  
Through the years  
That seem so far away
