Whenever your down with a bad case of blues  
Well I know just what you ought to do  
Grab up a stack of them old 45's  
A put em' all on and let em play all night

That's how you go, that's how you go  
See Dr. Rock N Roll, Dr. Rock N Roll, Rock N Roll  
I'm pretty sure he's gonna find you a cure  
He'll say open up stick that tongue on out  
Sang me a little bit of twist and shout  
When you go, oh when you go  
See Dr. Rock N Roll, Dr. Rock N Roll, Dr. Rock N Roll
