

# Gloria

Sawyer Brown

Singing gloria, gloria  
Gloria, we sing gloria

We give praises to the King  
Born this night in Bethlehem  
And with the angels sing  
The song that Heaven sent

Singing gloria, gloria  
Gloria, we sing gloria

Our hearts are open wide  
To let in Heaven's light  
We come and seek Your face  
And thank You for Your grace

Singing gloria, gloria  
Gloria, we sing gloria

Heaven came down and brought this joy  
Hope and mercy in this baby boy  
The sweetest love, the sweetest gift  
Because of this we live

Singing gloria, gloria  
Gloria, we sing gloria

Singing gloria, gloria  
Gloria, we sing gloria
