Sawyer Brown

Could I lean on you Leona
could I rest here for a while
could I lean on you Leona
please help me make another mile

Could I lean on you Leona
would you help me till I'm strong
Could I lean on you Leona
till I can make it on my own

Well, you have been my rock for ages
your the only truth I've ever found
and every time I stumble
you pick me up on my way down

Well you've been my sanctuary
you've been my heaven in the storm
and I've always found a shelter
here inside your lovin' arms

Could I lean on you Leona
could I rest here for a while
could I lean on you Leona
please help me make another mile

Could I lean on you Leona
would you help me till I'm strong
Could I lean on you Leona
till I can make it on my own

You have always been my sunshine
when I'm running from the rain
well I know I'm waving at my welcome
this one more time please ease the pain

Could I lean on you Leona
could I rest here for a while
could I lean on you Leona
please help me make another mile

Could I lean on you Leona
would you help me till I'm strong
Could I lean on you Leona
till I can make it on my own

Could I lean on you Leona
could I rest here for a while
could I lean on you Leona
please help me make another mile
