

Rejoice

Sawyer Brown

We come to celebrate our many blessings
We come with hands held up high
We come with hearts filled with joy from the gift that
Came to us that silent night

Rejoice! Rejoice!
The Baby King
Rejoice! Rejoice!
Our awakening
No more in darkness
And no more in fear
Our Shepherd, Redeemer
Our Savior is here

Rejoice! Rejoice!
The Perfect Lamb
Rejoice! Rejoice!
The Great, I am
God wrapped in flesh
Come among us to dwell
Hope wrapped in love
Jesus, Emmanuel

Grace for the asking
And love everlasting
Rejoice! Rejoice!

Come all ye faithful and come all believers
Turn to the star, let it shine
Lift up your voices and come and receive Him
Sing to the glory on high

Rejoice! Rejoice!
The Baby King
Rejoice! Rejoice!
Our awakening
No more in darkness
And no more in fear
Our Shepherd, Redeemer
Our Savior is here

Rejoice! Rejoice!
The Perfect Lamb
Rejoice! Rejoice!
The Great, I am
God wrapped in flesh
Come among us to dwell
Hope wrapped in love
Jesus, Emmanuel

Grace for the asking
And love everlasting
Rejoice! Rejoice!

Come, let us adore him [4x]
