

# Runaway Heart

Sawyer Brown

I sit and think about you in the morning  
I sit and think about you all day  
I can't sleep, I don't even want to listen  
To a thing that my friends say  
I've been thinking to myself  
I must be somebody else

So if I get too close, if I go too far  
Out of control on a runaway heart  
You can break my move, you can shake my groove  
You just let me know if I go too far  
On a runaway heart

You're the first time I ever changed my thinking  
You're the first time I ever wrecked my car  
I'm afloat but I ain't sinking  
If I can just get to where you are  
You just can't get enough  
When you've got somebody to love

So if I get too close, if I go too far  
Out of control on a runaway heart  
You can break my move, you can shake my groove  
You just let me know if I go too far  
On a runaway heart

Runaway, runaway, runaway heart

Runaway, runaway, runaway heart

So if I get too close, if I go too far  
Out of control on a runaway heart  
You can break my move, you can shake my groove  
You just let me know if I go too far  
On a runaway heart

On a runaway heart

Runaway, runaway

Runaway, runaway
