

# Thank God For You

Sawyer Brown

Well, I've been called a self-made man  
Girl, don't you believe it's true  
I know exactly how lucky I am  
When I'm gettin' this close to you  
It's high time I'm giving some praise  
To those that got me where I am today

I got to thank mama for the cookin'  
Daddy for the whuppin'  
The Devil for the trouble that I get into  
I got to give credit when credit is due  
I thank the bank for the money  
Thank God for you

A strong heart and a willing hand  
That's the secret to my success  
A good woman, I try to be a good man  
A good job, Lord, I know I've been blessed  
I'm just a part of a greater plan  
It doesn't matter which part I am

I got to thank mama for the teachin'  
Daddy for the preachin'  
The Devil for the trouble that I get into  
I got to give credit when credit is due  
I thank the bank for the money  
And God for you
