

Drowning You in Fear

Scary Kids Scaring Kids

Stand up
You know you have the right to
Speak out
For the things that you believe
If you let them
They will stab you in the back over again
Take your integrity

How long will you let this go on?
They're drowning you in fear

Speak up
Your voice just isn't breaking through
It's time now
It's gone on way too long
If you let them
They will tear you into little pieces
I think there's something wrong

How long will you let this go on?
They're drowning you in fear
You're letting your hopes go straight to hell
and I know the end is near

The time will come
The time will come
The time will come
You will be sorry for what you've done
The time will come

How long will you let this go on?
They're drowning you in fear
You're letting your hopes go straight to hell
And I know the end is near, is near

You say you're sorry for what it's worth
