

Sink And Die

Scary Kids Scaring Kids

So these tears keep falling
I'm drowning in my very own misery
I'm sinking can't you see?

Standing neck deep in your ridicule
It's time for both of us
To stand like we said we would
You're not one of us, of us

Breathing deeply, the saints and the sinners
Will see the same white light
And we do not need to be shy
That's right, on the best day of our lives

Well now, it's time for both of us
To stand up for what we said we would
You're not one, of us

And I will get through this
Just wait for tomorrow
Just wait for the sunrise
We should not be shy
On the best day of our lives

So what are we good for now?
What are we good for then?

I stood there not laughing
What could be, never happens?
Why wait here and listen
To the sounds that remain in question?

I stood there not laughing
What could be, never happens?
Why wait here and listen
To the sounds that remain in question?

I stood there not laughing
What could be, never happens?
Why wait here and listen
What could be, never happens?
