I realize I missed a day But I'm too wrecked to care anyway I look around and see this face What the hell have I lost my taste Don't want to find out Just want to cut out My head explodes, my ears ring I can't remember just where I've been The last thing that I recall I got lost in a deep black hole Don't want to find out Just want to cut out Blackout I really had a blackout I grab my things and make my run On the way out, another one Would like to know before I stop Did I make it or did I flop Don't want to find out Just want to get out Blackout I really had a blackout Blackout I really had a blackout Blackout I really had a blackout Blackout. I really had a blackout Don't want to find out Just want to get out Blackout I really had a blackout!
