Tease Me Please Me

I've been around the world I've known a lot of girls Livin' and lovin' It's hard to keep them all in line I've seen a lot of sights Many crazy nights Cruisin' and boozin' It's a wonder that I'm still alive

Never wasted any time Never missed a beat Total satisfaction Always guaranteed

Tease me Please me No one needs to know Tease me Please me Before I have to go

Spead the world around The boys are back in town Reelin' and rockin' We're rollin' with it win or lose The girls are dressed to kill Lookin' for a thrill Slidin' and glidin' Sometimes they make it hard to choose

I never wasted any time Never missed a beat Total satisfaction Always guaranteed

Tease me Please me No one needs to know Tease me Before I have to go Tease me Please me We'll take it nice and slow Tease me Please me Just let the feeling grow **Scorpions**
