

Early one day  
Yves had something to say  
Marched right at the head  
Someone shot him dead

So all of his friends  
They lit a candle for him  
And all through the night  
So much candlelight

I know how you think you're afraid  
Don't you know that it's still not too late?  
You can go now  
Yves has shown you how

And there's nothing that you need to know  
Just get up and go  
Go now and be blessed  
Yves has done the rest
