

## I Can't Stand Myself

Screeching Weasel

I'm immature - I talk a lot  
I'm a lying, cheating little snot  
I smell bad - I don't comb my hair  
I steal from work - I don't fight fair  
Girls are repulsed by the sight of me  
I slouch and I don't brush my teeth  
Don't have a job - don't go to school  
And worst of all - I think I'm cool  
I can't stand myself
