The Word Girl

Scritti Politti

To do what I should do
To long for you to hear
I open up my heart
And watch her name appear
A word for you to use
A girl without a cause
A name for what you lose
When it was never yours

The first time baby that I came to you Swore I'd do things that you want me to The second time baby that I came to you For oh you found my love for you The third time baby that I came to you Oh, oh, oh, I knew
The last time baby that I came to you Oh how your flesh and blood became the word

A name the girl outgrew
The girl was never real
She stands for your abuse
The girl is no ideal
It's a word for what you do
In a world of broken rules
She found a place for you
Along her chain of fools

The first time baby that I came to you Swore I'd do things that you want me to The second time baby that I came to you For oh you found my love for you The third time baby that I came to you Oh, oh, oh, I knew
The last time baby that I came to you Oh how your flesh and blood became the word

Oh how
Your flesh and blood
Oh how
Your flesh and blood
