

Be There

Seafret

You've got me surrounded,
It feels like I'm drowning and I don't want to come up for air.
I lost everything, I threw myself in and you took me when no one was there.
Well you can take what you need, take the air that I breathe and I'll give away all that I own.
Whatever I lose, is put back by you in a way that you'll never know.

'Cause I can't be without you

I'll be there when you need me most
I'll be there if you're ever alone
Together, we can grow old.
I can't leave you
I can't leave you,
No.

There's no air around me, when we get this close but there's no where I want to go.
You keep it a secret if you feel the same and leave me dying to know.

'Cause I can't be without you

I'll be there when you need me most
I'll be there if you're ever alone
Together, we can grow old.
I can't leave you
I can't leave you

You're my way out
You're my way through
And I can't, I can't
Be without you
You're my way out
You're my way through
And I can't
Be without you

So be there when I need you most
Be there, whenever I'm alone
Together, will we grow old? I can't leave you
I can't leave you

I'll be there when you need me most
I'll be there if you're ever alone
Together, we can grow old.
I can't leave you
I can't leave you,
No.
