

Get Closer

Seals & Crofts

Darling if you want me to be
closer to you
Get closer to me
Darling if you want me to be
closer to you
Get closer to me
Darling if you want me to love
love only you
Then love only me
Darling if you want me to see
see only you
Then see only me

There's a line that I can't cross over
It's no good for me and it's no good for you
And that feeling deep down inside me
I can't explain it and you're wondering why

You say we been like strangers
But I'm not the others
you can hang by your fingers

Darling if you want me to be
closer to you
Get closer to me
Darling if you want me to be
closer to you
Get closer to me
Darling if you want me to love
love only you
Then love only me
Darling if you want me to see
see only you
Then see only me

There was a time I would come running
Drop everything
for the touch of your hand in mine

And I can't go on living
Wondering if you'll be here tomorrow
People change and you're changing
And I've given you my all
that no one can borrow

Darling if you want me to be
closer to you
Get closer to me
Darling if you want me to be
closer to you
Get closer to me ...
