

Hustle

Seals & Crofts

Pull the stops out, watch my hustle.
Would you believe I was once a. . .[?]
Would you believe I was even as shy as a child.
It's so hard for the mind to fathom, so don't try.

I feel like tripping the light fantastic. I've never been
more enthusiastic.

My mind. . . [?]

I'm a stone gladiator on a mood elevator. In the thick of
the fight, I just smile.

Pull the stops out, watch my hustle.
