

Legacy

Sean Paul

Say from me see you and your crew mi haffi tell yuh dis
Girl you are di bang badang badung bang bang
Digiligi dang bang dang dang
(2x)

Hey baby girl, I'm loving everyting thing that you do
To di style where ya walk and a move wid dun your sexy girl crew
So ask anybody, demme tell ya say I true
To the way your feelin me girl I'm defineitely feelin you
Come rock wid me my baby girl and gimme dat thing that I can refuse
Non-stop from my baby girl, explosion
Blowing my fuse
Push pop on my baby girl, and let me do what I do
Cause you and me to get up, I know there is no ex-cuse

Cause you and I were meant to be, last forever be, like a legacy baby
Cause everytime I see your face, make me far from grace
You I can't replace baby
(2x)

That's how we freed it out we treed it out, we let it go
So girl let's give me out, and freak it out come back we row
Bed lower make me show you what me know, but girl I want to turn you on
So let me at your heart of gold
Aya gimme that rum aye gimme that crumb, ahh girl just gimme that salad
I'm gonna performin, just gimme that thing that make me go laughing
That shits not everything, cheat me on thing that I get evergeh
Oh lord get me the girl that gets me celestial laughing

Hey baby girl, I'm loving everything thing that you do
I see the star that you wanna move that sexy girl true
So hard, to anybody that wanna see you true
And the way your feelin me girl I'm defineitely feelin you
Come round for my baby girl and
Give me that thing that I can refuse
Non-stop from my baby girl, explosion
Blowing my fuse
Push pop on my baby girl, and let me do what I do
Cause you and me need to get up, I know there is no ex-cuse

You and I were meant to be, like forever be, like a legacy baby
Everytime I see your face, and I'm far from grace
You I can't replace baby
(2x)

Ohhh ohhh ohhhh,
Take it sloww oww oww, let me knoww oww oww
Take it sloww oww oww, let me knoww oww oww
Take it sloww oww oww, let me knoww oww oww
Take it sloww oww oww, let me knoww oww oww
Take it sloww oww oww, let me knoww oww oww
Take it sloww oww oww, let me knoww oww oww
Take it sloww oww oww, let me knoww oww oww
Take it sloww oww oww, yeahh!

You and I were meant to be, like forever be, like a legacy baby
Everytime I see your face, and I'm far from grace

You I can't replace baby
(2x)
