Standing up tracing you on my own  
Standing up facing crimes all alone  
Race the unknown

I wanna stop feeling guilty  
'Cause nobody's put me on trial  
I gotta find me a lawyer  
To find out if justice is blind  
Crossing a river again  
Crossing a river  
Crossing a river to find my wa

Standing up tracing you on my own  
Standing up facing crimes all alone  
Race the unknown

I gotta find some detectives  
Who work for a dollar a day  
Putting my case together  
Pleading that wanna stay  
Crossing a river again  
Crossing a river  
Crossing a river to find my way

Standing up tracing you on my own  
Standing up facing crimes all alone
