

# Stay Here The Night

Secret Service

Stay here the night  
I don't wanna be alone  
Say it's alright  
That you don't have to go on home.

Baby listen you know I care  
You light a fire when you are here  
Let me forget all my pain  
Tell me that you will remain

Everybody that I know  
Has gone to some midnight show  
You and I are on our own  
There's no need for you to go on home

Stay here the night  
I don't wanna be alone  
Say it's alright  
That you don't have to go on home

Don't say you'll leave and walk away  
Tell me you care oh I want you stay  
Stay here the night  
I don't wanna be alone

Let's light the candles, open the wine  
Let us sit down and just feel fine  
Baby I can understand  
Why we can find a promised land

Say it's alright  
That you don't have to go tonight.
