

## When The Night Closes In

Secret Service

Let us take a walk in the citylights  
'Cause this night is right and time is tight.  
Come and take my hand  
put your cigarette out

I would like to know all about you.  
A few blocks from here is a boulevard  
Where we can find a late night cafe.  
We got everything to win when the night closes in.

Let me dry your tears  
I know what you've been through

But baby  
feel no fear  
I've been through it too.  
So just take my hand  
take a chance on me

This night belongs to us - you and me.  
A few blocks from here is a boulevard . . .  
We got everything to win when the night closes in.  
When the night closes in - when the night closes in.
