

I wanna be your illusion, be you illusion  
To make you happy tonight  
Enjoy this trip with me  
I wanna be your emotion, be your emotion  
Why don't you turn off the light  
Imagine how we could be living  
Sometimes I wonder why  
We have no limits  
Everything we do is timed  
To find out who we are  
We won't stop playing  
The special game of love  
And we get together  
The time is running  
I'll be your dream that  
You'll remember over and over  
If only you tried me  
If only you touched me  
I wanna be your illusion, be you illusion  
To make you happy tonight  
Enjoy this trip with me  
I wanna be your emotion, be your emotion  
Why don't you turn off the light  
Imagine how we could be living  
Through the darkness of the town  
Looking for a lover  
I'm praying you to stay  
To keep the promise you made  
Can't you see it baby  
It's a part of the game And every time that u say no  
You got me going crazy  
I'm going out of my mind  
I'll do what you want me to  
I'm a victim baby  
Just push me through  
I wanna be your illusion, be you illusion  
To make you happy tonight  
Enjoy this trip with me  
I wanna be your emotion, be your emotion  
Why don't you turn off the light  
Imagine how we could be living  
Tonight.....I wanna be your .. Illusion I  
I wanna do what makes you feel alright  
It's a matter of time now baby  
It's a matter of fag now baby  
I'm gonna make you feel good!
