

Mistress of the Dark

Seelenkrank

Mistress of the dark
There's no escape
From your eternal lust
You try to convince me in my dreams
Before you leave
You're in my thoughts
You're in my blood
I feel this longing
Inside my broken heart
But I know at the end of it all
I stay here alone

Do you really exist?
Or is it just your pleasure
That makes me want you to
That makes me want you to exist?
Are you an angel of the dark side?
Or will you ever be just a reflection
Of my darkest dreams?
