

Save the Day

Selena Gomez

Kiss the moon goodbye
But don't close your eyes, your eyes
It's the end of the night
But the beginning of time, for you and I
I can't believe that my body is still moving
It makes me feel like we're doing something right.

Baby when the night starts slipping
When the night starts slipping
When the night starts slipping away
Boy you got my heartbeat skipping
When you touch me even though
The time is ticking away
Just tell me it's not over
And we'll never reach the end
But when the night starts slipping away,
Save the day

De de de de de de day
De de de de de de day
De de de de de de day
Save the day
De de de de de de day
De de de de de de day
De de de de de de day
Save the day

Yeah we're still wide awake
Got me losing my mind, my mind
No, it's never too late,
Put your lips on mine
In the burning sunlight, I
I can't believe that my body is still moving
It makes me feel like we're doing something right.

Baby when the night starts slipping
When the night starts slipping
When the night starts slipping away
Boy you got my heartbeat skipping
When you touch me even though
The time is ticking away
Just tell me it's not over
And we'll never reach the end
But when the night starts slipping away,
Save the day

De de de de de de day
De de de de de de day
De de de de de de day
Save the day
De de de de de de day
De de de de de de day
De de de de de de day
Save the day

Oh eh, oh eh, oh eh, oh, ah, ah, ah, ah
Oh eh, oh eh, oh eh, oh, ah, ah, ah, ah

Oh eh, oh eh, oh eh, oh, ah, ah, ah, ah

Kiss the moon goodbye
But don't close your eyes, eyes, eyes

Baby when the night starts slipping
When the night starts slipping
When the night starts slipping away
Boy you got my heartbeat skipping
When you touch me even though
The time is ticking away
Just tell me it's not over
And we'll never reach the end
But when the night starts slipping away,
Save the day

De de de de de de day
De de de de de de day
De de de de de de day
Save the day
De de de de de de day
De de de de de de day
De de de de de de day
Save the day
