## **Beneath the Remains/Mass Hypnosis**

## Sepultura

In the middle of a war that was not started by me Deep depression of the nuclear remains
I've never thought of, I've never thought about
This happening to me
Proliferations of ignorance
Orders that stand to destroy
Battlefields and slaughter
Now they mean my home and work

Who was won ?
Who has died ?
Beneath the remains

Cities in ruins
Bodies packed on minefields
Neurotic game of life and death
Now I can feel the end
Premonition about my final hour
A sad image of everything
Everything's so real

Who was won ? Who has died ?

Everything happened so quickly
I felt I was about to leave hell
I'll fight for myself, for you, but so what ?

Looking inside, your future uncertain The fear grows as a sickness uncured The silence agonizes, the words sound strong Look inside the eyes, leave this world

Hate through the arteries Mass hypnosis

Uncertain of being back They make you feel so good Everything's darkened Obey like a fool

Hate through the arteries Mass hypnosis

Soldiers going nowhere Believers kneeling over their sins Inhuman instinct of cowardly leaders Make the world go their own way

Tens of thousands hypnotized Trying to find a reason why Look inside your empty eyes Obey 'till the end
