## Song #1

It's a dirty money track, Yeah, Girls kick the flow!

Listen to me All my girls get ready We'll make it easy

When I catch you picking me You better get a chill Boy you wanna take on me Cuz I'm your killing pill

Can't you see the way I move My dress my flashy skin Listen up you know I got The place you've never been

Slow down Boy you don't wanna let me down You better stop you know what!

Oh! Don't call me funny bunny I'll blow your money money I'll get you to my bad ass Spinning for you Oh! I'll make it easy honey I'll take your money yummy I've got my bitches Standing up next to me

So come and check it So come and check it So come and check it My bad ass spinning for you (2x)

Watch out!

Keep on taking over you It's kinda getting free Baby boy you know I still Got sexy freak in me

Gotta tease you nasty guy So take it don't be shy Put your cherry on my cake And taste my cherry pie

Slow down Boy you don't wanna let me down You better stop you know what!

Oh! Don't call me funny bunny I'll blow your money money I'll get you to my bad ass Spinning for you Oh! I'll make it easy honey I'll take your money yummy
