

Salt Sea

Sérgio Mendes

Wait, wait for me you'll see
That you really want me
We can be free only if I know
That you'll come back and you'll be with me

Watching the wind blow
Tasting the salt sea
We'll ride every wave we can find
Now is the right time
Just for you and me

We'll make the day sing
Like the winds
And we won't have to go far
Now that we have the time
We can find all we want
If we just look
