

## Man of the Millennium

### Seven Witches

Some have said you were a god  
But all I know is that his light  
It shined upon you  
Modern man could use some of your teachings  
What we need  
Is what you were preaching  
Material  
Or Spiritual?

Light the way  
A beacon for the lost souls  
Lead is out  
From selfish dark holes  
To achieve self-realization  
To meet God  
To taste salvation  
God hath said  
He who strives is never dead  
Man of the Millennium
