

Pleasure

Seven Witches

Please me at any cost
I'm sure my soul is lost
Get out of my way
Satisfy me without delay
Pleasure Without Conscience
Find out who I am
Learn my heartless plan
To get off every way
Till I'm old and gray
Pleasure Without Conscience
We're writhing in the pit
Pleasure Without Conscience
Don't care, no not a bit

Hands out to meet you - Thrilled to hit something new
Hands out to meet you - Seriously freak you
Hands out to meet you - Glad to say I knew you
Hands out to meet you - Only want to screw you

Pleasure, pleasure, pleasure
Without Conscience
Essere il cambiamento che vuoi
Vedere nel mondo
