

I'm no stranger to this thing called war  
Just a person starving  
(Stranger, stranger)  
What makes us human  
Becomes a ghost  
I can barely breathe in  
(All I see is war)

I never knew what you needed  
I just know I'm wrong  
I know it's hard for you to believe  
I'm gonna die whole  
(Watch the hate you feed)  
Hold your own  
(Watch the hate you feed)

I'm just a passenger you've never seen before  
Inside a shell that's dying  
(Fading hatred)  
What makes us do this?  
We can't ignore  
I can almost taste it  
(All I see is war)

I never knew what you needed  
I just know I'm wrong  
I know it's hard for you to believe  
I'm gonna die (I'm gonna die) whole  
(Watch the hate you feed)  
Hold your own  
(Watch the hate you feed)

I never knew what you needed  
I just know I'm wrong  
I know it's hard for you to believe  
I'm gonna die whole  
(Watch the hate you feed)  
Hold your own  
(Watch the hate you feed)  
Hold  
(Watch the hate you feed)  
Hold your own  
(Watch the hate you feed)
