

From The Inside Out

Seventh Day Slumber

A thousand times I've failed still your mercy remains
Should I stumble again? I'm caught in your grace
Everlasting, your light will shine when all else fades
Never-ending, your glory goes beyond all fame

Your will above all else, My purpose remains
The art of losing myself in bringing you praise
Everlasting, your light will shine when all else fades
Never-ending, your glory goes beyond all fame

My heart and my soul, I give you control
Consume me from the inside out
Let justice and praise become my embrace
To love you from the inside out

Everlasting, your light will shine when all else fades
Never-ending, your glory goes beyond all fame
And the cry of my heart is to bring you praise
from the inside out, oh, My soul cries out

My heart and my soul, I give you control
Consume me from the inside out
Let justice and praise become my embrace
To love you from the inside out

Everlasting, your light will shine when all else fades
Never-ending, your glory goes beyond all fame
And the cry of my heart is to bring you praise
from the inside out, oh, my soul cries out

Everlasting, your light will shine when all else fades
Never-ending, your glory goes beyond all fame
And the cry of my heart is to bring you praise
from the inside out, oh, my soul cries out

Oh, My soul Cries Out
