## Whatcha Gonna Do About It

**Sex Pistols** 

I want you to know that I hate you, baby want you to know I don't care so happy when you're not 'round me I'm glad when you're not there

what'cha gonna do about it

I want you to give me your sweet sweet kisses want you to hold me tight I want you to come whenever I call you and let me walk you home at night

what'cha gonna do about it
