

Crystalline Dream

Shadow Gallery

Cm As Cm B
Hold onto these Memories I grant you The gifts of our lives Lost
in the sands of time

Cm As Cm B
Deserts forever Relentlessly barren I crossed them all In the blink
of an eye

Cm As
I command light and solar winds To transport me

Cm B
The deepest assurance I speak with my mind

Cm As Cm B
carves of glass Shatter before me The wheels are in motion Forever
they turn

As G E F#
And are carved in the great book of life

Cm As Cm B
There in your room Alone in the shadows I smashed down the walls
And set you free

Cm As Cm B
I carry the torch That trembles the mountains Seen visions of power
Beyond all belief

Cm As Cm B
You close your eyes I reach out and touch you Reflections in pools
The deepest of dreams

Cm As Cm B
Rumors of war Rage in your heart now The wheels are in motion
Together we turn them

As G E F#
And forever they turn in your way

Asm E Bsus2 F#
Come down with fire I want to love you want to take you into my
heart

Asm E
We'll cruise the starways

Bsus2 F#
And from the moment that we touch our love turns into a crystalline
dream

Asm E
Fly where your dreams go
