

Crazy

Shakra

You knock me out babe all I feel
Nobody would make it
I've got no doubts on it is real
Nobody could break it
Everything's really upside down
Let's take just another round
I've never felt like this before
I'm begging for more

You're fuckin' crazy
That's what I want
You're fuckin' crazy
That's all I need - nothing more

You look so hot cute dressed to kill
No one minds, no bother
I need the change you need the thrill
We're meant for each other
Everything's really upside down
Let's take just another round
You got me on my knees
You're all my deacease

You're fuckin' crazy
That's what I want
You're fuckin' crazy
That's all I need - nothing more
